The Utah State Treasurer is presently holding funds for the benefit of the State of Utah, Division of Oil, Gas and Mining as a form of reclamation surety for the following project:

|------------|---------------------------|-------------------|--------------------------|-----------------------|-----------------------------------|----------------|
| | | Total Amount Held | Release Amount Requested | Amount to be Retained | | |
| S/001/0074 | Maria Pit Overburden Dump | \$5,400 | \$5,400 plus interest | \$0 | Gene Henrie DBA Quality Crushing. | |
| S/001/0075 | Essex Mill Tailings Pond | \$18,000 | \$18,000 plus interest | \$0 | Gene Henrie DBA Quality Crushing. | |

The Division has inspected these sites and found them to meet reclamation requirements and therefore requests that the full amount in this account, \$23,400 plus interest be released to the operator.
